

IS GOING VIRTUAL

A Free **VIRTUAL** Educational Conference for Patients, Survivors, Caregivers and Healthcare Professionals

This Blood Cancer Conference (BCC) is one of many programs developed by The Leukemia & Lymphoma Society (LLS) to meet the needs of patients, survivors, families and oncology professionals, the people who deal with blood cancer every day and the people who care for them. BCC attendees receive the most current information and access to local resources to help navigate and make informed decisions about their treatment and survivorship.
